NOTES

I'm Brianna Reagan, an Alaskan artist and designer based in Fairbanks. While primarily known as a fine artist, I have also discovered a love for design. My fine art and illustration background evolved into **Brianna Reagan Creates**, where functional design and creativity coexist, offering products that are as practical as they are beautiful, and that bring good design into everyday life. I invite you to find something you love!

MADE BY HAND

Handmade is something that is made by all of life's experiences. Every piece is created or designed by my hand, and represents how I perceive the world.

USA + AK PROUD

I source (nearly) all my products from local-Alaskan or USA-based companies. I am fiercely Alaskan, and allow the rough beauty of Alaska to seep into my work.

EARTH-FRIENDLY

I try to be as earth-friendly as possible, using 100% recycled papers, compostable plastic sleeves, and reused shipping materials.
